+ Selling Points

- Best Actress at Mercosul Audiovisual Festival

Synopsis

Mrs. Martins opens her eyes, looks the ceiling. She looks at her side. He is not there. She gets up, a fine rain suggests a world that shrinks. Just like she does. But Sunday arrives. Time to come back to the cemetery and to meet Mr. Martins. To talk and, who knows, to give an end to this strange situation.

About the director: Laine Milan is the head of TVi an important South-Brazilian company of independent productions. TVi has been developing production projects with suitable content for open and cable television. The company regularly deals with the creation, script writing, research, production, filming, editing and finalizing, thus ensuring the delivery product ready to be broadcast. In just two of our projects, TVi has completed – by the end of 1999 – the production of one thousand, seven hundred and twenty six episodes, the largest television project of historical research in Brazil.
